

CLEVELAND METROPARKS

Historic and Cultural Resource Management Plan
October 2017

Reasons for the Plan

- Prioritize features most important to park identity
- Raise awareness of the importance of stewardship of historical and cultural resources
- Provide a comprehensive inventory
- Fulfill Strategic Plan and CAPRA

Standard 2.8: Historic and Cultural Resources Management Plans

Historical and cultural plans include an inventory of historical, cultural resources and strategies for how they will be managed.

Action Item 5.2.4 – Develop Historic and Cultural Resource Management Plan

Process and Results

- Research
- Site Visits and Interviews
- Documentation
- Evaluation / Prioritization
 - 355 Historical and Cultural Resources were inventoried
 - 72 (about 20%) are classified as High Priority for continued protection

Results are accessible to all staff

- Executive Summary
- Report
- Comprehensive Inventory
