

# TIME TO EXPLORE

Cleveland Metroparks

## Virtual Reality

Augmented Reality

Mixed Reality

# Types of Reality

- Augmented Reality
  - Superimposing graphical image over real world
  - Pokemon Go
- Mixed Reality
  - Merging of real and virtual worlds
  - Microsoft HoloLens
- Virtual Reality
  - Entire world in a 360 view in a headset
  - Samsung VR, Google Cardboard, etc.

# Virtual Reality

- Originally utilized in focus group demonstrations
  - Hospital Visits (Seidman Cancer Institute)
- Created long term project plan
- Funding provided by Larry & Sally Sears
- Future uses
  - ADA Accessibility – Fort Hill
  - Nature Education
  - Zoo Education
  - Potential Mobile App

# Demonstration
